THESE DROPS are as described by compounted finders are Nostrawas. Being liquid, their action is direct and positive, rendering them a reliable, speedy and certain specific for the cure of all obstructions and suppressions of nature. Their popularity is infinated by the fact that over 102,000 hottles are annually sold and consumed by the axis of the United States, every one of whom speak in the strongest terms of praise of their great merits. They are rapidly taking the place of every other Female Remedy, and are considered by all who know aught of them, as the surest, safest, and most unfallible preparation in the world, for the cure of all female complaints, the removal of all obstructions of nature, and the promotion of health, regularity and strongth. Explicit directions stating when they may be used, and explaining who and why they should not, nor could not be used without producing effects contrary to mature's chosen laws, will be found carefully folded around each bottle, with the written signature of John I. Livon, without which none are genuine.

Prepared by Dr. JOHN L. LYUN, 193 Chacel Street, New Haven, Conu, who can be consulted either personally, or by mail, soulong stamp, concorning all private diseases and is nale weaknesses. Sold by all Druggists everywhere.
